

# OPTICAL FIBER CUFFS

## REQUEST FORM

### i. Fill the table according to the desired number of fiber-

- 1- Specify the position of each fiber in the cuff.
- 2- Specify the desired length of each fiber in the cuff.

Number of fibers*	1	2	3	4	5	6
Fiber name	A	B	C	D	E	F
Vertical fiber position in the cuff. ( <u>T</u> op or <u>B</u> ottom)**						
Fiber depth (mm) in the cuff from the edge of the cuff to the end of the fiber. ( $\pm 0.2$ mm)						

\*\*Maximum of 3 fibers on each side of the cuff.

ii. Fiber-optic code:

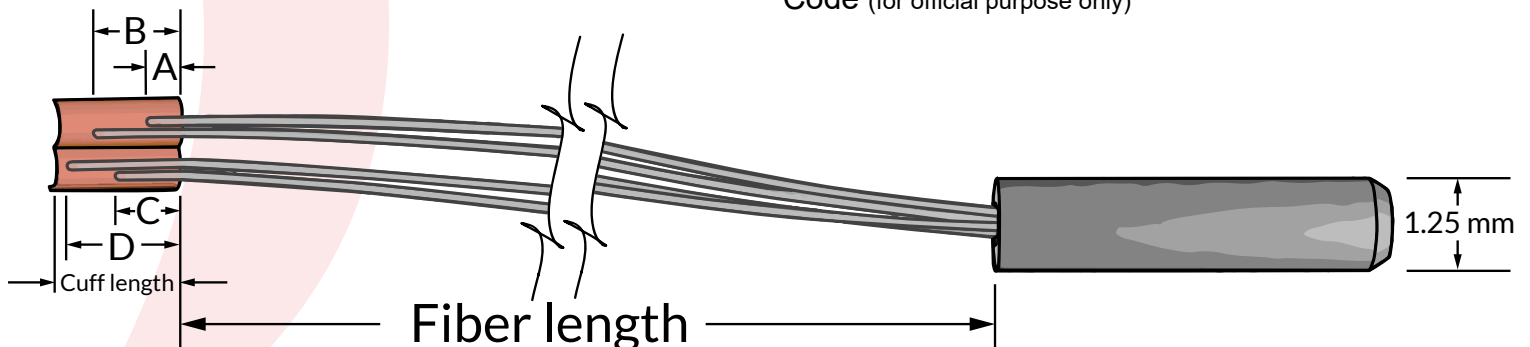

v. Cuff internal diameter (mm):

iii. Receptacle code:

vi. Cuff length (1-10 mm) :

iv. Fiber length (1-100 mm):

Code (for official purpose only)

\*\*The schematic is an example of how the optical fibers can be set in the cuff.
